This agreement is entered into between the Magnolia School District ("District") and the Magnolia Educators Association ("Association").

For the 2014/15 school year, the District will be conducting RTI dialogue days at each school site. Each meeting will have a morning agenda of 4 hours and 15 minutes as planned by the site principal and IPC. Following the lunch break, the remaining 2 hours will be planned by the classroom grade level teachers. The teacher planning time in the afternoon will focus on the new math adoption and strategies to address the gaps identified from the morning session.
